

## NEW AL WUROOD INTERNATIONAL SCHOOL, JEDDAH, KSA

Ext. Cir. No.01/2022-23

Date: 10<sup>th</sup> March, 2022

### Academic Year 2022-2023 – Warm Welcome

Dear Sir,

Greetings from New Al Wurood family!

We are geared to the new academic year with new vigour and initiatives to continue in the path of excellence in education. In this regard, it is appropriate to highlight key cutting edge initiatives and programs we have taken up to foster 21<sup>st</sup> century skills and skills of Fourth Industrial Revolution.

- **Vibrant KG Section:**  
Kindergarten curriculum built around student's critical and creative thinking skills and achieving developmental milestones through playful and fun filled activities.
- **Curriculum ( KG to Grade 12)**  
Dynamic Curriculum with global perspective and compatible to international standards
- **Xseed (Experiential Learning)**  
An Experiential Learning methodology to implement the curriculum in 5 Step learning process.
- **Coding adventure**  
It is a dynamic new generation program where students learn to code in a real programming language. It aims at developing systematic thinking as a basis for problem solving.
- **Robotics**  
An innovative program where students learn by creating their own robotic devices using available resources fostering skills required for innovation, critical thinking and problem solving combining Science, Technology, Engineering and Math (STEM).
- **Understand Quran**  
A unique program which focuses on reading Quran with Understanding in easy way.
- **Edumedia (School Cinema)**  
Innovative visual-based program focusing on life skills and value-based education through Kids Movies.
- **Gavel Club (Junior Toastmasters Club)**  
A dynamic program affiliated to the Toastmasters International to develop and strengthen leadership and communication skills.
- **Computer and ICT**  
Basic programming based on Terra Bytes curriculum software
- **Field trips and Outbound programs -**  
An initiative to connect learning to real life situation and nature
- **Scouts (Boys), Guides( Girls), Cubs and Bulbuls ( Grade 1-3) and Bunnies (KG)**  
A program to develop social commitment, independent thinking, interpersonal and leadership skills
- **Youth Parliament and Mock UN -**  
A wonderful Initiative to foster life skills, build awareness about the wider world, sustainability and involvement in the global community.
- **Asset**  
An international benchmarking test focusing 21<sup>st</sup> century skills
- **World Class Facilities**  
Digiclass with Smart Boards. Physics, Chemistry, Biology, Computer Science and Robotic Labs, Spacious Class rooms, Astro Turf Ground for sports and Games, Well-stocked Library and School Buses.

As registrations and admissions for the academic year 2022-23 have already commenced, we request you to make use of the best opportunity and enroll the siblings from your family at the earliest.

Warm regards,

Principal
